

CERTIFICATION

This document confirms that all translated content used in the Unify/UTS application and digital documents available in Unify/UTS (except for the translation of licensed COA/PRO instruments) has been certified by TransPerfect at the file level, who is globally certified under the standards ISO 9001:2015, ISO 17100:2015, and ISO 18587:2017. It also confirms that TransPerfect has completed said translations in conformance with the Quality Management System documented in its ISO process maps and are full and accurate translations of the source material. In the current workflow, TransPerfect does not verify the translation in-context.

Process as applicable in accordance with the specifications agreed upon for the request:

- Leverage of Translation Memory and/or Machine Translation
- Translation and/or post-edit by TransPerfect
- Proofreading and QC by TransPerfect
- QSR (Quality Service and Reporting) by TransPerfect
