

Certificate of Translation for Clinical Trial Media

This is to certify on behalf of Lionbridge Technologies, LLC ("Lionbridge") that the translations processed by Lionbridge of the Source Documents (listed below) as reflected in the Translated Documents (listed below) were performed by professional, qualified translators and revisers who are fluent in both the source and target languages, in accordance with Lionbridge's ISO-certified quality processes and applicable project specifications. To the best of Lionbridge's knowledge, the translations accurately represent the corresponding source text in meaning and intent, and no content was added or is missing.

Where customer review of the translated content has been included as part of the translation process and where such review has resulted in changes to the translated content which makes it deviate from the corresponding source text, meaning or intent, those changes or the impact thereof remain the sole responsibility of the customer.

The above certification statement does not apply to any translated content that has been altered, adapted, changed, or otherwise modified in any manner or to any degree following the delivery of the final Translated Documents (as referenced by this Certificate) by Lionbridge to the customer.

"Latest Source File" only applicable if edits have been made to original source file and does not match the original source file anymore.

ISO certifications referenced: ISO 9001:2015, ISO 13485:2016, ISO 17100:2015
