

The future of cancer therapy

TRANSLATION CERTIFICATE

EORTC QLQ-C30

This is to confirm that the **available language versions** of the **EORTC QLQ-C30** have been translated according to the EORTC QUALITY OF LIFE GROUP translation procedure. The translation process included two forward translations, reconciliation, two back translations, proofreading and pilot-testing on patients, and was coordinated by the EORTC Translation Team. A detailed description of the translation process is described in [the EORTC Translation Manual](#).
